School News

Supply chain disruptions:

**We are currently experiencing significant supply chain disruptions and anticipate these disruptions to worsen throughout the school year.

**Unfortunately, several menu items that are frequently identified as being favorite items for students are and will likely continue to be unable to be served.

**Disruptions in the supply chains have and will likely result in changes to the posted menu with little to no notice for families and students.

We will try to update major changes on the school facebook page and text caster.
