## School News

Supply chain :  
We are continuing to see supply /food shortages on various items and the price keeps increasing.

\*\*Unfortunately, several menu items that are frequently identified as being favorite items for students are and will likely continue to be unable to be served.

\*\*Disruptions in the supply chains have and will likely result in changes to the posted menu with little to no notice for families and students.

Apologize for the inconvenience as we continue to navigate all of this.
