 **Parent Teacher Conferences**
Notes with parent teacher conference details have been sent home. Please contact the office if you need to make any changes.

Fall weather has arrived. Morning recess can be cool, please make sure your child is coming to school with a jacket or sweatshirt. Warm afternoons often mean that children forget these items or leave them behind, so please write your child's name in the items.

The Central Decatur NASP Practices will be starting on Thursday, October 24th at 4:30pm, following a parent meeting. We have 7 BAI certified coaches and the equipment is provided. Over the years, students in 4th-12th grade have been taught archery in PE class. They can use those skills competitively in bullseye and 3D shoots this winter. Practices are only an hour long and held in the Pioneer Hall at the Leon fairgrounds on Mondays, Tuesdays, and Thursdays, with the range being open from 4:30-7 PM. Competitions will start on December 4th and run through February 8th, with state competition being held on the first weekend in March. The cost of the competitive shoots is \$3-5.
